Form 990, Part III, Line 1 - Organization Mission

The Family Center provides comprehensive social service to families affected by parental illness, absence or loss. The overarching goal of the services is to stabilize the family and ensure a smooth transition for the children. The services focus on helping parents and caregivers to create sound plans for the future care of their children, improving family communication, and supporting the health and well-being of all members of the family, with a particular focus on individuals with terminal illness. Specifically, TFC services include permanency planning, individual and family supportive counseling, mental health services, health care coordination, information and referral, advocacy and group programs. Legal services provide for legal counsel, advice and representation to address a broad range of legal challenges in the areas of family law, housing and public benefits.

Form 990, Part III, Line 4a - Program Service Accomplishments

Social Services:

•Permanency Planning and Disclosure Support - TFC assist ill parents with creating a sound future care plan for his/her children. Helping a parent or caregiver develop a viable plan for the future care of his/her children is a complicated task. TFC supports the ill parent through a difficult set of discussions about their mortality and their children's future. Parents are educated about the planning process and the services and entitlements that would be available to the new caregiver in the event of the client's death. We explore with the ill parent possible vulnerabilities in the client's desired plan with the goal of anticipating and addressing any obstacles to the proposed plan.

family counseling to its clients. Individual counseling services focus on addressing issues related to illness, trauma and loss, as well as on parenting, self-efficacy and self-care. TFC's family counseling services focus on family communication, family adjustment, and disclosure issues.

•Mental Health Services -- TFC offers a full service mental health clinic providing counseling, psychological and psychiatric services specializing in working with children and teens struggling with mental illness. All clinic services are provided by Master's level mental health professionals who receive weekly supervision from an LCSW supervisor.

•Behavioral Health Services -- TFC's behavioral health multi-prong programming includes medical case management designed to ensure that all HIV+ individuals in the households we serve have access to high-quality medical care and information; treatment adherence support services utilizing an individualized counseling model addressing the last three phases of the CDC HIV treatment ("Gardner") cascade: helping people stay in HIV care, get on HAART and adhere to regimens to achieve undetectable viral loads; and our diabetes prevention program which addresses the epidemic of diabetes and obesity in Central Brooklyn by raising awareness of diabetes, help those with pre-diabetes avoid disease progression, and help those diagnosed with diabetes control their condition.

•Case Management - TFC staff assist clients with accessing a range of benefits for themselves and their families. Case management activities include conducting research about appropriate services and eligibility, making referrals, assisting clients with application processes, providing advocacy, and coordinating services

with other providers.

•Group Services - TFC offers a range of groups for adults, teens and families. TFC's group offerings include drop-in groups, closed membership short-term groups, and ongoing psycho-educational and support groups. Some groups are open up to clients of other TFC Departments and/or partner organizations.

•Buddy Program - TFC's Buddy Program is a one-on-one mentoring program which matches an adult volunteer with a child from one of the families that we serve. Buddy volunteers are carefully screened and are provided with training and support by TFC staff. Buddies spend 8-10 hours together a month engaged in activities of their choosing.

•Outreach and Community Education - TFC has a strong commitment to reaching out to families who could benefit from our services as well as sharing our program model with partner organizations. As part of TFC's outreach strategy, we have developed a series of trainings and workshops in areas of our expertise which we make available to consumer and professional groups. TFC also has team of consumers and former consumers who have been trained as Peer Outreach Workers. The POWs present to varied audiences on services received at TFC and their own personal experiences. The POWs augment our outreach capacity at health fairs and community events and bring a unique voice to our outreach message

Form 990, Part VI, Line 15a - Compensation Review & Approval Process - CEO & Top Management

To determine the Executive Director's compensation, The Family Center utilizes benchmarking surveys and other studies related to the industry. The compensation committee meets independent of the Executive Director to discuss performance relative to the position description. Once consensus is reached regarding performance, a similar discussion is held concerning compensation relative to annual benchmarks and established objectives. The committee's recommendations are presented to the full board for review and approval. The Board Chair then meets with the Executive Director to discuss and document strengths, weaknesses and goals for the upcoming year. Compensation for the upcoming year is also discussed and documented.

The Deputy Executive Director's compensation is determined by the Executive Director based on meeting certain performance criteria.
